Arts Clayton Gala Purpose:

Arts Clayton, a local 501c3 non-profits arts organization, is premiering their annual fundraiser Caribbean Nights: The Havana Edition. Inspired by a trip to Havana, this Black tie Gala will feature art, music, and the culture of Cuba. The Gala will be the first event of a weeklong series of arts and cultural events and activities, the first of its kind in Clayton County. Proceeds from the Gala will be used to support Arts Clayton children's education program.

Chairman Turner's International Ball Purpose:

This prestigious event celebrates the rich heritage and diversity within Clayton County. The event also serves as a fundraiser for a local nonprofit that serves Clayton County. Chairman Turner has selected Healing Haven ATL, a 501c-3 non-profit located in Riverdale GA to receive proceeds from this year's event. Healing Haven is a Community Resource Center that specializes in the healing and development of young men and young fathers.

We invite you to join us in the celebration, collaboration and fundraising efforts for two very deserving organizations and we hope you will support our event this year. Don't miss the opportunity to enjoy an array of sights, sounds, and tastes from Cuba as we celebrate Caribbean Nights: The Havana Edition!
